

The background of the entire image is a dense, overlapping pattern of large, dark teal leaves. The leaves have prominent veins and are arranged in a way that creates a sense of depth and texture. The color is a rich, slightly dark green, with some variations in tone due to the lighting and the way the leaves overlap.

My name is Dr. Zantelle Botes, and I am a dedicated medical professional with a passion for both clinical medicine and aesthetic medicine.

I completed my MBChB at the University of Pretoria in 2013. In addition, I've acquired a Diploma from the Foundation of Professional Development in Advanced Aesthetic Medicine.

This has allowed me to blend my medical knowledge with an artistic eye, helping patients enhance their natural beauty and boost their confidence through safe, effective and personalised treatments.

TREATMENT PRICELIST

R5 650.00

4. Plasma Skin Rejuvenation (PRP) aka Vampire Facial

Your own platelet rich plasma is injected into your skin to aid in wrinkle reduction, skin rejuvenation, acne scars and wound healing.

R3 680.00

5. Collagen Biostimulator Treatment

Scupltra™ (PLLA)

An extremely effective and unique treatment with long-lasting effects on the skin's structure and volume through natural collagen stimulation. It particularly helps to correct skin creases, wrinkles and folds, scars, and typical signs of skin aging.

Recommended: 2-3 sessions 6-8 weeks apart	1 x session	R6 100.00
	2 x sessions	R11 000.00

*Prices are for one vial. The amount and volume required may vary depending on age and volume loss.

HArmonyCA™ (HA+CaHA)

The simplicity of one product with dual effect: an immediate lifting effect, and the long-lasting effect of a collagen biostimulator. Designed for patients experiencing loss of elasticity and mild -moderate volume in the face.

R9 300.00

*Prices are for two 1.25ml pre-filled syringes.

6. Meso-needling with Fillmed NCTF 135HA™

A revitalizing, ultra-hydrating treatment used to improve skin texture and skin quality.

*Prices are for one 3ml vial	1 x session	R2 400.00
	3 x sessions	R6 800.00

7. Meso-needling with 1ml NCTF 135HA™

A revitalizing, ultra-hydrating treatment used to improve skin texture and skin quality.

Excellent for under eye rejuvenation.

Prices are for 1ml NCTF135 HA & Nanosoft™ needle

1 x session	R1 550.00
3 x sessions	R4 450.00

8. Meso-needling with Exosomes

A treatment designed to better skin health by improving texture and appearance, by using tiny messengers to guide your cells.

R4 500.00

9. Meso-tox with Fillmed NCTF 135HA™ and Botulinum Toxin

A treatment used to refine skin texture by minimizing pore size, improving skin firmness and elasticity, and correcting fine lines.

R3 800.00

10. Controlled Chemical Skin Resurfacing/Peels

Different active chemical solutions used to create a firmer complexion and appearance, and to lighten and brighten the skin. Specifically formulated to treat the typical signs of aging, acneic manifestations and hyper-pigmentation.

Basic Resurfacing Treatment	R 905.00
Advanced Resurfacing Treatment	R1 325.00
TCA Touch	R1 940.00

11. Skin Resurfacing and Nano needling with Transdermal Solution

A non-invasive, revitalizing treatment used to promote better absorption of the active ingredients in skincare products, by creating tiny channels in the skin. It helps to improve skin tone, texture and hydration.

R1 950.00

12. Medical Weight Loss

A comprehensive one on one consultation for treating weight loss, tailored to your individual lifestyle.

*Follow-up consultations limited to a maximum of 3

First Consultation	R 700.00
Follow-up Consultation	R 350.00
